

## Deck Mounted Junction Box

### Model 3495

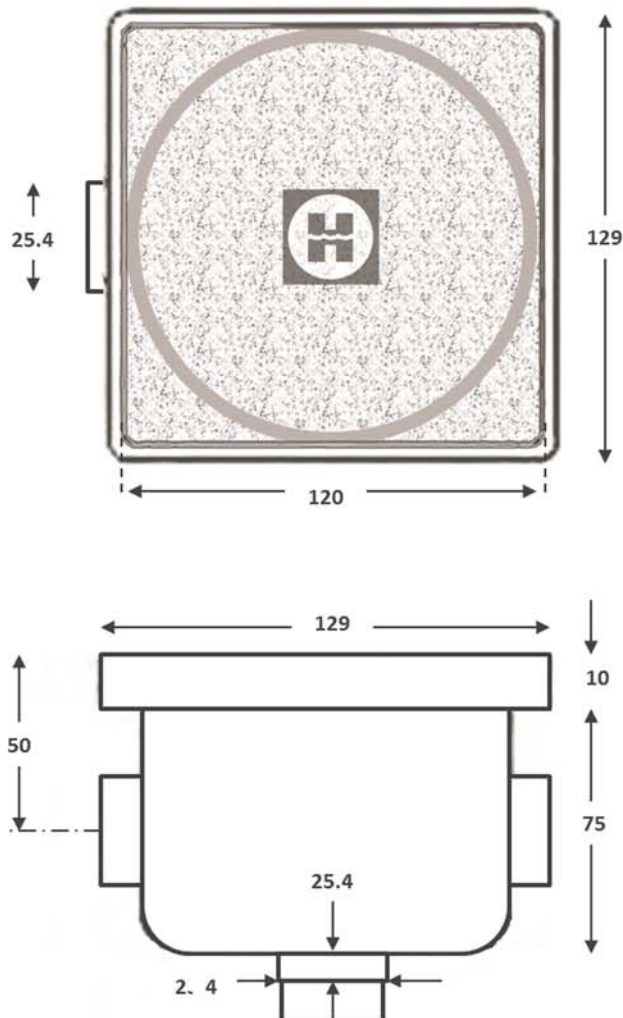

The ABS Deck Mounted Junction Box features one bottom and two side tapped junction points suitable for a 1" cord seal and compatible with the Hayward Euro Light conduit for installation convenience. The push-in cover has an o-ring seal to keep out dust and water. The electrical connection and cord seal are included. Hayward's famous "H" logo is molded prominently on the cover to assure pool owners of dependable performance and satisfaction.
